PROFESSIONAL AND LEADERSHIP EXPERIENCE

Product and Development Lead – Limer (Mobile App)

February 2025–present

- Designing and structuring in app content for a mobile social networking and event management platform for university students, establishing clear information hierarchy, intuitive navigation and a consistent product voice across club, event and profile experiences.
- Using Figma to map and prototype user flows and tab layouts, collaborating closely with design decisions to ensure content supported usability and task completion.
- Authoring and refining UX copy including onboarding guidance, error messaging and feature descriptions, helping users understand complex actions and reducing friction during core workflows.
- Integrating content with functionality through iterative testing and revision, applying accessibility and inclusive design principles to improve clarity, comprehension and overall user confidence.

President – National Association of Black Journalists (NABJ), OU Chapter

August 2024–February 2026

- Revived NABJ at OU after years of inactivity, growing membership from 2 founders to 50+ students and directed content strategy for events, campaigns and communications.
- Organized inaugural Black Market event, bringing 100+ students and faculty together for networking and a panel on Entrepreneurship Through Media featuring industry leaders from *Sinclair Broadcast Group*, *Perry Publishing & Broadcasting*, and the *Associated Press (AP)*.
- Coordinated biweekly member meetings, providing a platform for students to showcase projects, discuss current media issues and build professional confidence.
- Directed strategic marketing and community engagement campaigns, raising awareness across Price College of Business and Gaylord College of Journalism and Mass Communication.

Advisor – Black Business Network (BBN), University of Oklahoma

October 2024–present

- Guiding the launch and growth of a student business organization, advising on brand strategy and content direction.
- Advising executive board on outreach and event strategy, securing collaborations with EY and Enterprise.

Creative Marketing Manager – Boxes, Boards & Bashes

January 2021–December 2023

- Designed and executed social media campaigns, growing Instagram presence by 1,500+ followers.
- Produced professional-grade photo and video content to enhance brand identity.
- Collaborated with CEO on brand strategy and customer engagement initiatives.

HONORS AND AWARDS

Broadcast Education Association (BEA) Award

April 2025

- Recipient, 2025 BEA Award of Excellence in Scriptwriting for “Earl’s Portrait,” recognized for excellence in storytelling and clear, engaging narrative design.
